

Housing Action Plan

After you complete the Housing Needs Assessment with the Connector, you and the Connector will create a Housing Action Plan. This plan will focus on your strengths and include activities for you and your connector to complete separately or together to help you find housing. You will follow up with your connector to check progress and update the Housing Action Plan regularly.

Goals will be created together with your connector and can be in one or more of the following categories:

- Household Goals**
- Housing Goals**
- Income, Employment, Benefits, Health Insurance and Credit Goals**
- Social Support and Problem-Solving Goals**
- Legal Issues**
- Health Goals**
