

Housing for a Healthy Santa Cruz

# Six-Month Work Plan Update July – December 2021

A Strategic Framework for Addressing Homelessness in Santa Cruz County

**Board of Supervisors Presentation – March 22, 2022**

Robert Ratner, MPH, MD

Director, Housing for Health

County of Santa Cruz Human Services Department

# Presentation Overview

Six Month Plan Update

Housing Affordability Gap and Homelessness

Strategic Framework Goals

Funding Overview and Gaps

Shelter and Rehousing Wave

HEAP Funding Summary and Lessons

*“A sense of belonging appears to be a basic human need – as basic as food and shelter.”*  
— Dr. Kenneth Pelletier

# Six Month Plan Update (July – December 2021)

9 of 11 milestones partially or fully completed

## Significant Accomplishments:

- Secured **\$7.7M** in competitive grants
- Rehousing Wave – **107 households** moved to permanent homes
- **Collaboration with Health Services Agency** to create multi-disciplinary street outreach teams
- Helped prepare **four Project Homekey applications** for more supportive housing
- **Improving data collection** and reporting and preparing for 2022 point-in-time count
- Preparing to launch **new Continuum of Care (CoC) structure** – H4H Partnership

# Strategic Framework: Capacity Goals

## Framework System Capacity Targets and Current Capacity

	Baseline	Framework Target	Current Capacity
Temporary Housing	440	600	659
Rapid Rehousing	140	490	194
Permanent Supportive Housing	500	600	792
Very Low-Income Affordable Housing	Not Established	+734 (RHNA Goal) new units	+105

# Strategic Framework: Performance Goals

## HMIS Performance Data Relative to Targets

(12-month period through January 2022)

Measure	Emergency Shelter		Transitional Housing		Rapid Rehousing	
	Current Value	Target	Current Value	Target	Current Value	Target
Reduce Length of Stay (days)	125	60	482	250	381	180
Increase Rehousing Rate	20%	40%	73%	80%	66%	85%

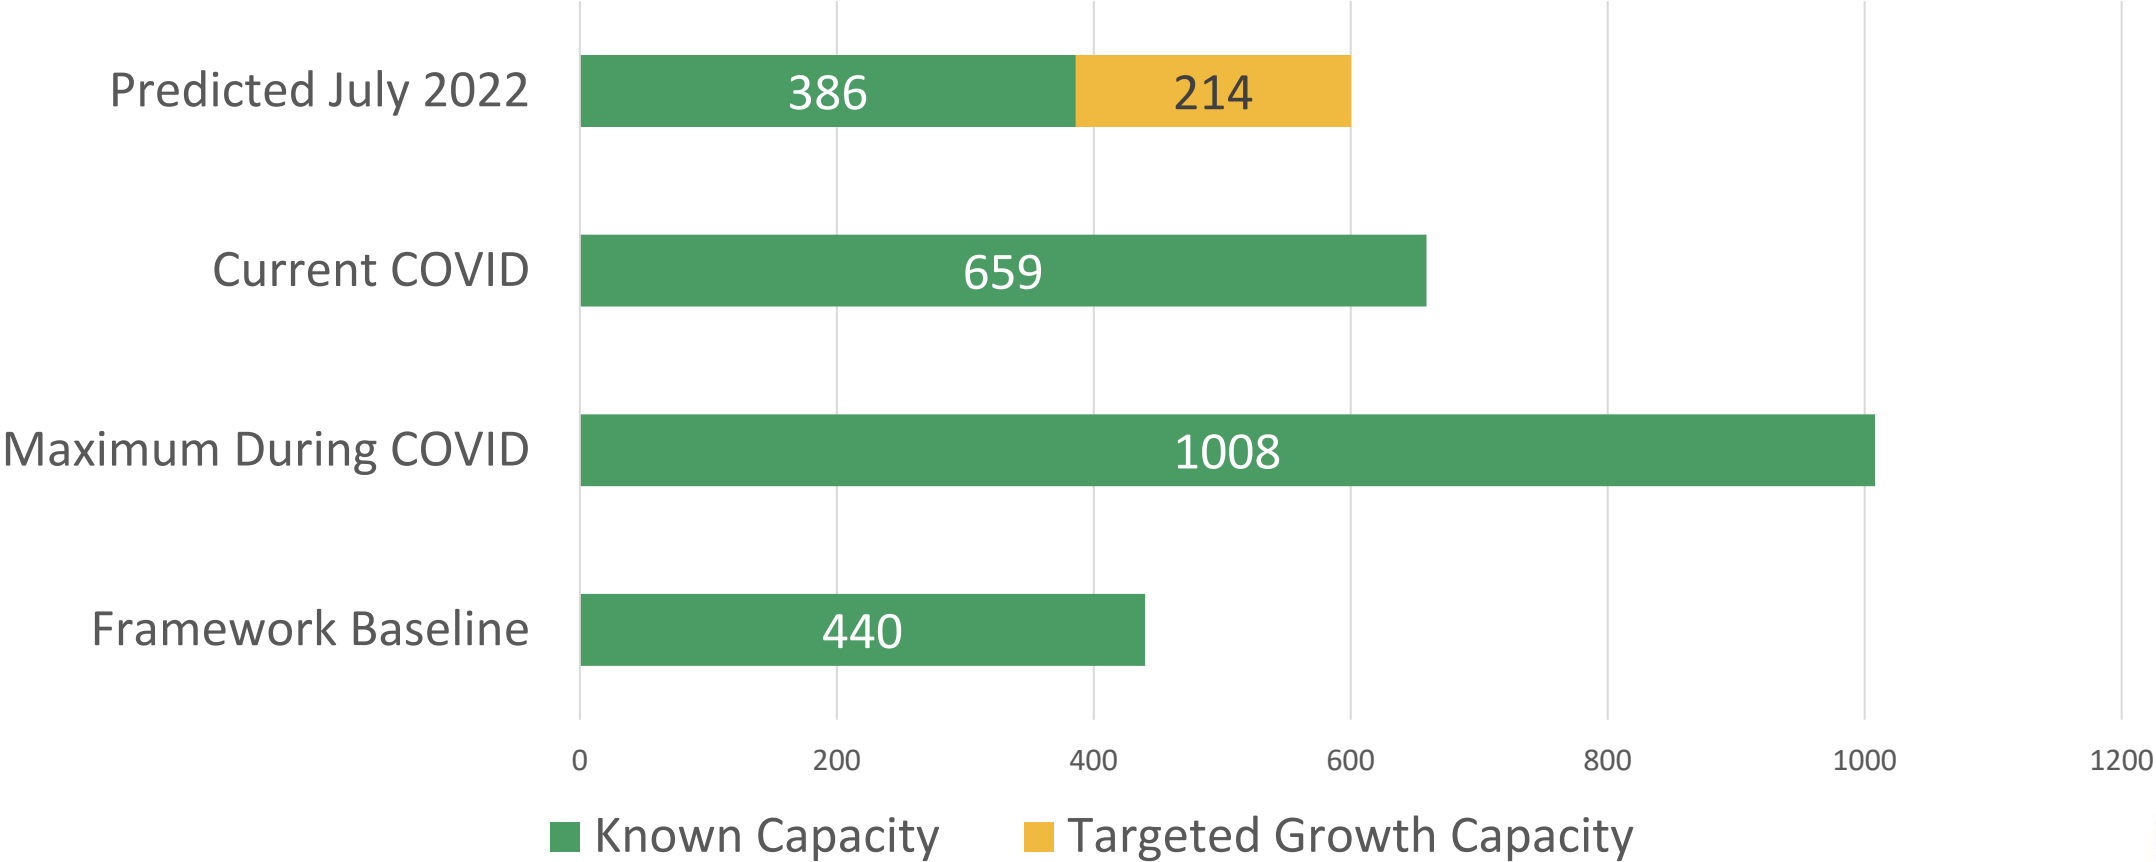

# Strategic Framework: Outcome Goals

## HMIS Data - Households Experiencing Homelessness by Month

# Shelter Capacity

## Santa Cruz County - Emergency Shelter and Transitional Housing Bed Capacity Over Time

- Three Strength-Based Care Management and Housing Navigation Teams (County, Abode, Housing Matters)
- Real Estate Partnership Program (Abode)
- Flexible Rehousing Funding (CAB)
- Housing Authority Permanent Housing Subsidies
- Vets Hall Board of Trustees C.A.R.E. Packages

## **About 9 months of operations....**

- 259 households and 309 people served
- 107 households in permanent homes
- 315 households with Housing Authority housing subsidies; 72 using them; rest in process or searching

**BIGGEST CHALLENGE: Finding Available Rental Units**

# Housing Affordability Gap

**Average Santa Cruz Renter**  
needs 3.4 full-time jobs to  
afford...

Two-Bedroom Apartment  
at Fair Market Rent

“Out of Reach 2021” National Low Income Housing Coalition Data:  
Highest Rate in State of California

# Housing Affordability Gap - Impacts

## Precipitating Factors

- Inadequate affordable housing stock
- Living on fixed or limited incomes
- Lack of consumer protections
- Racial discrimination in housing and financial access
- Lack of services

## Housing Stressors

- Relationship loss
- Health issues
- Cognitive decline
- Challenges with activities of daily living (ADLs/iADLs)
- Sudden increase in housing/ other expenses (often medical)
- Difficulty managing money
- Job loss
- Predatory lending
- Abuse or neglect

## Resulting Impacts

- Displacement
- Housing instability/ at-risk of homelessness/ couch surfing
- Literally homeless

Increasing levels of stress and impact on health and quality of life

# Housing Affordability Gap - Progress

## Regional Housing Needs Allocation (RHNA)

Central County Comparisons for Very Low-Income Unit Production to December 2020

County	County Total Population (2018)	Very Low Income (VLI) RHNA Housing Goal	Current # of Building Permits Issued for VLI Housing
San Benito	61,537	520	0 (0%)
Santa Cruz	274,255	734	105 (14%)
Monterey	435,594	1780	524 (29%)
San Luis Obispo	284,010	1020	498 (49%)

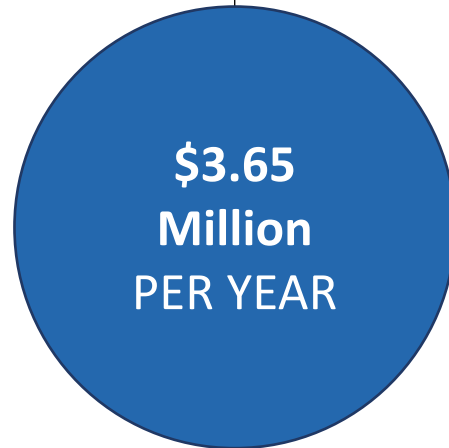

# Funding Overview: Average Costs

Outreach team  
serving 100  
people at a time

100 emergency  
shelter beds  
year-round

100 rapid  
rehousing

100 permanent  
supportive  
housing slots

# Funding Overview and Gaps

## Framework Goals: Annual Dollars Needed vs. Available

More than 40 local, state, and federal grants/sources to coordinate and manage

# Homeless Emergency Aid Program (HEAP)

## What happened?

- 2018 State funding to address “emergency” need – large city influence
- First state general fund dollars going statewide to address homelessness
- Money distributed to large cities and CoCs (not counties)
- **\$9,966,608** available for Santa Cruz CoC
  - \$7.4M for shelters
  - \$1.2M for housing services
  - \$950K for basic needs
  - \$350K for coalition infrastructure
- Over 3,100 people received a service
- 342 people documented to move to permanent housing

# Homeless Emergency Aid Program (HEAP)

## Lessons Learned

### What Worked

- Launched innovative pilot programs, e.g., landlord incentives
- Helped address deferred maintenance and infrastructure issues
- Improved ADA and hygiene access with mobile and site-based facilities
- Helped smaller organizations build capacity
- Helped meet emergency health and safety needs
- Began pattern of funding year-round stable emergency shelter programs for adults
- Expanding youth services and leveraged HUD youth funding

### Opportunities for Improvement

- Emergency services and shelter services without a housing exit focus do not solve homelessness
- Investments need to link key efforts together to get to positive housing outcomes for participants
- Fewer, deeper investments in specific programs are needed to achieve Framework outcomes for specific populations
- Need improved HMIS data quality and monitoring

# Six-Month Plan (January – June 2022)

- Complete 2022 Point-In-Time Count of People Experiencing Homelessness
- Launch Housing for Health Partnership CoC structure
- Follow-up and Additional Project Homekey Applications
- Launch New Street Outreach Efforts
- Eviction and Homelessness Prevention – Build Lasting Network
- HMIS – New Policies, Data Quality, Data Integration
- COVID Shelter to New Baseline Shelter Capacity
- CalAIM – Medi-Cal Reform Partnership Planning and Implementation
- Centralize Flexible Housing Assistance Funding... (and more)

# Questions & Discussion
